

## Certificate

Paper ID: 165

Paper Title: Machine learning and high-throughput screening algorithms for optimization of magnetocaloric effect in all-d metal Heusler alloys

**Danil Baigutlin**

*Chelyabinsk State University*

has attended and made a presentation at 10th HR Conference on Caloric Cooling and Applications of Caloric Materials (THERMAG 2024) held on Aug. 21-24, 2024 in Baotou, China.
